## SOPRAAN

According to the radio warmer weather's on the way,  
 Ooh-ooh. (...) from now 'till Christmasday, Ooh, I know:  
 It's gonna be a cold, cold Christmas without you,  
 Dreaming of those warm, warm lazy summerdays.  
 It's gonna be a long and lonely Christmas without you,  
 Missing you my darling in oh so many ways.

Mmm-mmm. Mmm-mmm-mmm.  
 Mmm-mmm. Mmm-mmm-mmm.  
 It's warm inside. The logfire's burning bright, oh darling!  
 If only you were here, to make it right.  
 It's gonna be a cold...

Mmm-mmm. Mmm-mmm-mmm.  
 Mmm-mmm. Mmm-mmm-mmm.  
 It won't be long, untill you're home again, And we can  
 share these magic moments, but untill then:  
 It's gonna be a cold...

## BAS

Ooh-ooh. Ooh-ooh.  
 But even as the sun shines from now 'till Christmasday,  
 Ooh, I know:  
 It's gonna be a cold, cold Christmas without you,

 It's gonna be a long and lonely Christmas without you,  
 Missing you my darling in oh so many ways.

Mmm-mmm. Mmm-mmm. Mmm-mmm. Mmm-mmm.  
 It's warm in-side. The log-fire's bur-ning bright,  
 Mmm-mmm, to make it right.  
 It's gonna be a cold...

Mmm-mmm. Mmm-mmm. Mmm-mmm. Mmm-mmm.  
 It won't be long, untill you're home again,  
 Mmm-mmm, but untill then:

## ALT

According to the radio warmer weather's on the way,  
 And chances are we won't be getting snow.  
 (...) from now 'till Christmasday,  
 As far as I'm concerned I know:  
 It's gonna be a cold, cold Christmas without you,  
 Dreaming of those warm, warm lazy summerdays.  
 It's gonna be a long and lonely Christmas without you,  
 Missing you my darling in oh so many ways.

Yesterday I saw your Mom and Dad, We bought our cards together.  
 I've put the presents on the Christmastree, And as I write this letter:  
 It's warm inside. The logfire's burning bright,  
 Mmm, to make it right.  
 It's gonna be a cold...

I didn't bother with the mistletoe, You won't be here to kiss me.  
 The only consolation that I've got: I know for sure you'll miss me.  
 It won't be long, untill you're home again,  
 Mmm, but untill then:  
 It's gonna be a cold...
