1. We Eastern Kings from a-far
Have followed a shining star
To Bethlehem, that fair city of Galilee

Oh, sweetest mystery
That Christ's nativity
Should be in Bethlehem this day
Alleluia!

2. From far-off field and coombe
We humble shepherds come
To Bethlehem, that fair city of Galilee

Oh, sweetest mystery
That Christ should deign to be
Born in a manger rude and bare
Alleluia!

3. Then Kings and shepherds all
Kneel down beside the stall
And worship Him, born of the sweetest maiden Mary

Oh, sweetest mystery
That Christ's nativity
Should be in Bethlehem this day
Alleluia!
